# Who We Are ?

Babylong - 100% Community Driven Token Leads us into 2024 with an Impressive Start. Babylong has the mission to bring crypto to the average person. Babylong is built on binance smart chain with extremely fast 5 second block times and cheaper gas fees than ethereum.

With an eye towards true innovation, coupled with a deep passion for cutting edge technology, Babylong team have laid the foundation for all to follow in 2024. They understand that investors today are no longer investing in the same copy-cat meme coins of yesterday, but are looking for innovation, talent, and transparency. Babylong has unique tokenomic, where holder will EARN daily 0.15% dividend in Babylong by just holding Babylong in wallet up to 5 years.

# Introduction

Launched in 5 November 2023, Babylong token is one of the fastest growing community in crypto memes. Babylong is on a mission to bring crypto to the average person. Babylong is built on binance smart chain with extremely fast 5 second block times and cheaper gas fees than ethereum. With decentralized exchanges on BSC offering lightning-fast swaps and extremely low fees, BSC has started to become one of the most widely used blockchains for Decentralized Finance (Defi).

Babylong is not just about innovation—it's about community. We believe in the power of collaboration and inclusivity, forging partnerships and ecosystems that amplify our collective potential. Together, we build a vibrant, interconnected network where ideas flourish and dreams become reality.

# About Us

Developed on the Binance Smart Chain, Babylong is a BEP-20 community token with a 5.5% transaction tax (buy and sell). The circulation of Babylong is 1 trillion. 25% of the supply is burnt into dead address, which mean there is only 75% circulation supply in the market.

Babylong serve as community-driven initiatives exploring unique features or tokenomics, improving DAO governance and transparency. Babylong also emphasizes a lighthearted and fun approach to cryptocurrency.

Babylong is designed with the vision, From the community, To the community. All the taxes are contributed to liquidity pool and burnt.

Babylong had its ownership renounced and given to the community upon its creation. This decentralised of power has allowed \$Babylong to flourish as a 100% community driven project with markedly engaged holders and rapid growth on a daily basis. In term of gaining community trust, \$Babylong has burnt its LP permanently.

# Vision

"Unlocking Tomorrow's Potential: A Vision for Babylong.

In a world where technological innovation knows no bounds, Babylong emerges as a beacon of possibility, pushing the boundaries of what a cryptocurrency can achieve.

At the heart of Babylong lies a commitment to democratizing finance, empowering individuals worldwide to take control of their financial destiny. Through cutting-edge blockchain technology, we pave the way for a decentralized economy where access to financial services knows no borders or barriers.

Babylong envisions a world where digital assets serve as catalysts for positive change, fueling innovation, and fostering inclusivity.

Furthermore, Babylong is not just about innovation—it's about community. We believe in the power of collaboration and inclusivity, forging partnerships and ecosystems that amplify our collective potential. Together, we build a vibrant, interconnected network where ideas flourish and dreams become reality.

# VALUES

## TRANSPARENCY

Babylong is supported by its community of enthusiasts. We encourage open communication and believe trust, transparency, and community are the 3 pillars to building longevity.

## COMMUNITY

Babylong community believe that only together we are strong. Community is everything and Babylong strives to include everyone from around the globe.

## LONGEVITY

The community is fostering and adopting long term development of the ecosystem and foundation in efforts to drive real use cases.

## TRUST

In cryptocurrency market trust is paramount. That means full transparency not only in the community and development but also in security efforts. Babylong has burned LP pool to dead address.
